

CONVERSION OF A CALIFORNIA GENERAL PARTNERSHIP INTO A CALIFORNIA STOCK CORPORATION

A California general partnership can be converted into a California stock corporation by filing Articles of Incorporation containing a statement of conversion.

The attached sample meets the minimum statutory requirements for Articles of Incorporation containing a statement of conversion for a general stock corporation (see California Corporations Code commencing with sections 200, 1150 and 16901) and may be used as a guide in preparing documents. Modifications can be made to add permissive provisions and/or to meet the specific statutory requirements for a professional or close corporation. The Secretary of State does not provide a standardized form due to the many possible drafting variations.

Articles of Incorporation containing a statement of conversion cannot be processed using the preclearance, expedite, wait for or rush letter service and are not filed in the regional offices. Documents must be mailed or hand delivered for over-the-counter processing to the Sacramento office at:

Business Programs Division 1500 11th Street Sacramento, CA 95814 Attention: Document Filing Support Unit (916) 657-5448

The **filing fee** for Articles of Incorporation containing a statement of conversion is **\$150.00**. A \$15.00 **special handling fee** is applicable for processing documents delivered in person at the Sacramento office. The \$15.00 special handling fee must be remitted by separate check for each submittal and will be retained whether the documents are filed or rejected. The special handling fee does not apply to documents submitted by mail. Check(s) should be made payable to the Secretary of State.

The original and at least two copies should be included with your submittal. The Secretary of State will certify two copies of the filed document without charge, **provided that the copies are submitted to the Secretary of State with the document to be filed.** Any additional copies submitted will be certified upon request and payment of the \$8.00 per copy certification fee.

To facilitate the processing of documents mailed to the Secretary of State, a self-addressed envelope and a letter referencing the corporate name as well as the sender's name, return address and telephone number should be included with the submittal.
